

## SATELLITE OSPREY “JUKKA” HAS STARTED HIS SPRING MIGRATION!

March 30, 2010

Satellite Osprey ”Jukka” has spent the whole wintering season from October 26, 2009 to March 30, 2010 in northern part of Cameroon.

Only once (on November 11, 2009) Jukka visited Chad, about 70 kilometers from the main wintering area, but came back soon.
